A TRIAL LIST OF TOKENS NOT FOUND IN THE PA MERCHANT TOKEN BOOK

An attempt is being made by PATCO members to build a list of tokens not known when the PA tome was published. We try to follow the example of Dr Aqua, but stray from some strict standards. There are some storecards included that are not issued by pure merchants. Food Stamp tokens are not included, but we are compiling a separate list of them and need your help. Some, but not all plastic tokens are included herein. New Independent Brewing Co. varieties are not entered into this list, but are maintained in our database. Some entries are incomplete because only partial data was provided in eBay sales or retail listings. You are invited to add or correct any of this information if you have seen the actual token. Write to Larry Dziubek.
